

FOR IMMEDIATE RELEASE

UPDATES ON ROAD CLOSURE ON JALAN BUKIT BINTANG

KUALA LUMPUR, 16 APRIL 2015 (1:30pm): MMC Gamuda KVMRT (T) Sdn Bhd (MGKT) wishes to inform the public on additional road closure at the intersection between Jalan Raja Chulan and Jalan Imbi, to facilitate repair and rectification works in front of the Audi Showroom, due to a road depression this morning.

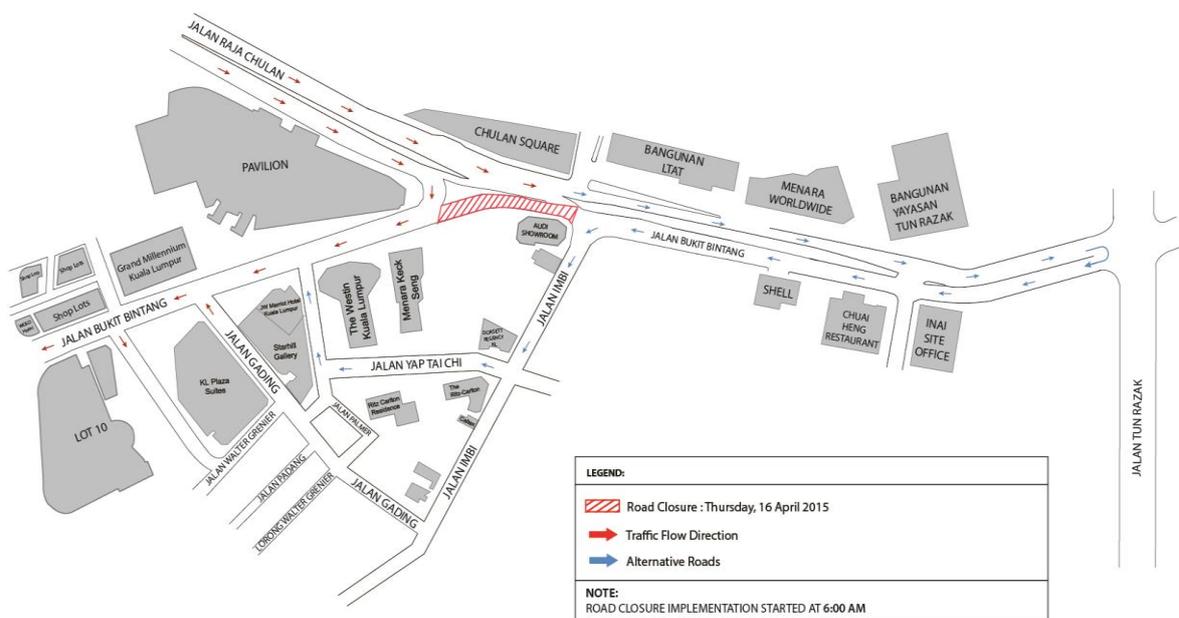

The additional closure was implemented at noon following advice by the traffic police on duty at site to ensure smooth traffic flow and for public safety. Earlier this morning, the stretch of Jalan Bukit Bintang (Pavillion-bound) between the Jalan Imbi intersection and Pavillion Shopping Centre, in front of the Audi Showroom was closed following the road depression which caused damages to the Audi showroom guardhouse.

Initial investigation revealed that the road depression was by caused by a burst pipe. No injuries were reported during the incident. The earlier closure of the 100-metre stretch was effected at 6:00 am today and following Standard Operating Procedures, the road had to be closed for traffic to minimise any risk to road users.

Further Investigation is being carried out to establish the cause of depression following which repair and rectification works will begin. Further updates on the closure will be notified in the next media release.

All traffic from Jalan Tun Razak heading towards Pavillion is now diverted onto Jalan Imbi. Following this latest closure, vehicles from Jalan Raja Chulan will need to turn at the Jalan Tun Razak traffic light to go to Jalan Bukit Bintang. Traffic from Jalan Tun Razak heading towards Jalan Imbi is not affected. Please see map below on the closure.

ROAD CLOSURE AT JALAN BUKIT BINTANG

Traffic police have been deployed to help direct traffic.
