**UPDATES ON ROAD CLOSURE ON JALAN BUKIT BINTANG:
THE INTERSECTION BETWEEN JALAN RAJA CHULAN AND JALAN IMBI REOPENS FOR
TRAFFIC**

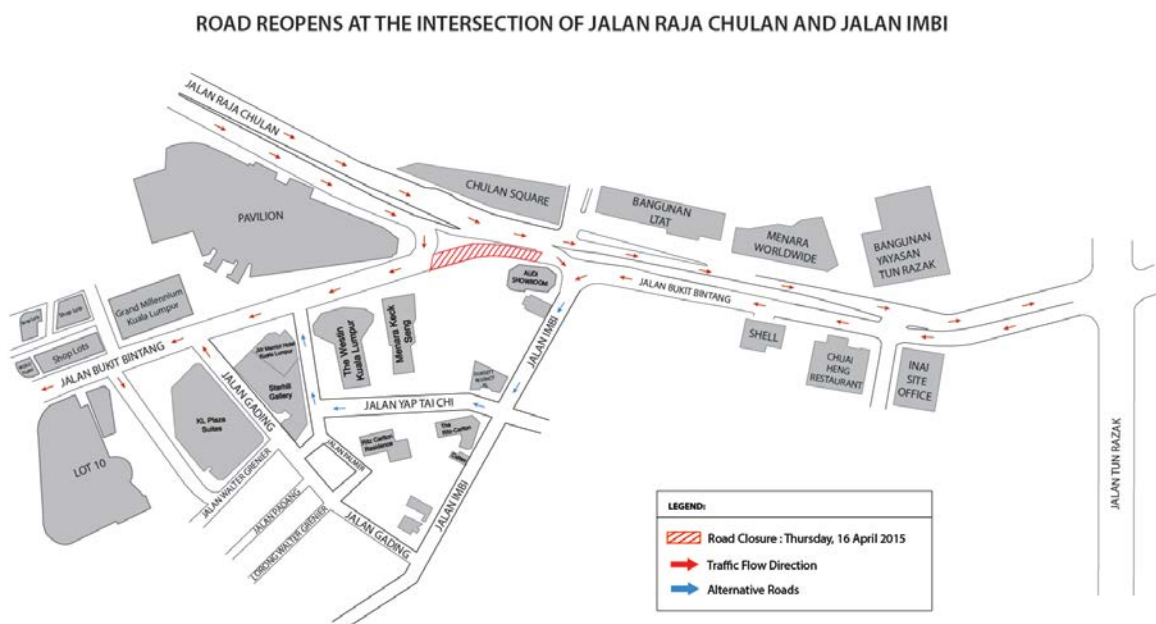

KUALA LUMPUR, 16 APRIL 2015 (4:30pm): MMC Gamuda KVMRT (T) Sdn Bhd (MGKT) wishes to inform the public on the reopening of the intersection between Jalan Raja Chulan and Jalan Imbi at 4pm today, to ease traffic flow in the area.

The intersection was earlier closed at noon following advice by the traffic police on duty at site to ensure public safety to facilitate repair and rectification works in front of the Audi Showroom, due to a road depression which occurs this morning.

The stretch of Jalan Bukit Bintang (Pavillion-bound) between the Jalan Imbi intersection and Pavillion Shopping Centre, in front of the Audi Showroom remains closed since 6:00am today to facilitate repair and rectification works at the site and to minimise any risk to road users.

Investigation is still being carried out to establish the cause of depression following which repair and rectification works will begin. Further updates on the closure will be notified in the next media release.

All traffic from Jalan Tun Razak heading towards Pavillion is now diverted onto Jalan Imbi. Traffic from Jalan Raja Chulan headed to Jalan Bukit Bintang as well as Jalan Tun Razak remains affected. Please see map below on the closure.

Traffic police have been deployed to help direct traffic.
