MEDIA STATEMENT

GENERAL WORKERS INJURED AT WORKSITE

THIS is a preliminary statement to confirm that around 5pm today, an incident seriously injured 3 general workers who were carrying out housekeeping works outside the immediate work area at the Bandar Malaysia South MRT site.

Bomba and Polis have been informed whilst the injured have been hospitalized for treatment. The cause of the incident is not known as yet and is under investigation.

The workers seeking treatment at Hospital Kuala Lumpur are reported to be in stable condition.

More information will be made available to the Media on completion of the investigation.

Bandar Malaysia South is one of the 11 Underground stations under the Sungai Buloh-Serdang-Putrajaya Line (SSP) and MMC-Gamuda KVMRT (T) Sdn Bhd (MGKT) is the Underground Work Package Contractor.

For Media clarification please call Bhavani Krishna Iyer, MGKT Head of Public Relations and Stakeholder Management Dept., at 0193128303.
